## BULLETIN

---

- Attention Students: The ASVAB Career Exploration is Tuesday November 15 in the CWHS Library; it is free to all 10<sup>th</sup> - 12<sup>th</sup> grade students. The ASVAB can help you take steps now towards finding a career that is right for you. The ASVAB assesses a student's ability to learn new skills and to predict success in a wide variety of military and civilian occupations. The ASVAB Career Exploration Program includes an interest inventory and other activities and resources designed to help students learn more about themselves, and to explore the world of work so you can gain confidence in making the right career decision. Everyone can benefit from the ASVAB CEP whether you are undecided as to which career is best for you, if you plan to go to a 2 or 4 year college, technical school, or enter the workforce after graduation. Opportunity is knocking, register today with your social science teacher, English Teacher, or in the Library.
  
- Any graduating Senior who plans to major in computer science or electrical engineering, please pay attention! The Stokes Educational Scholarship Program may just be your ticket to paying for college. The Stokes Program will allow you to attend college full-time, then you will work during the summer at the National Security Agency (NSA) main headquarters related to your course of study. You will receive real-world experience and receive a salary year-round. When you graduate college, a position will be waiting for you within the NSA. Apply online
