- Students: Our solar project will begin this Thursday October 20th. Solar panels will be installed in our front parking lot, much like the back lot and Fort Washington. These panels will not only provide shade for our parking lot, but will save the District thousands of dollars a year in electrical costs. Like any construction project, there will be some inconveniences. One half of the lot will be closed at a time starting with the east side by the tennis courts.
- Attention Seniors and Juniors, Santa Clara University and Southern Methodist University will be here on Friday, come into the Counselor's Office and sign up to see the Reps.
- Attention students: The PSAT exam is tomorrow morning at 7:55 am. Please listen carefully to the following information: All 10th grade students are required by the district to take this exam; there are no make-ups.
