

Parent Survey

I want to meet the needs of your child from the very beginning of the school year. The information you're able to provide for me is an invaluable tool and makes it that much easier for me to help your child be successful. I greatly appreciate your time and I will keep all information confidential.

Please return the completed survey.

Parent(s)/Guardian(s) name:

_____ (please print)

Your child's name:

[Need more room? Feel free to attach additional pages.]

1. What are your child's strengths (not only academic)? In what is she/he most interested (subject areas and otherwise)?

2. On what academic skills does your child need to focus?

3. Developing a productive and healthy relationship with your child is one of my highest priorities. Getting to know a student can make all the difference in their school success. I take this opportunity very seriously. I believe as a parent you play a key role in assisting me learn more about your child. Please provide me with any tips or suggestions forgetting the very best out of her/him. What motivates them to do their best work?

4. Is there anything your child struggles with that you would like me to assist them with?

5. If a tutoring center were available to your child would you allow your child to attend? What time would work best for you and your child?

6. What services would you like to have the Native American Education Program give to your child?

7. If college informational meetings were available to you and your child, would you attend?

Thank you again for taking the time to complete this important survey. I look forward to meeting & working with you and your child.

Please return this survey to Mr. Zuniga in the Freshman Academy or his box in the main office.
