A message from Principal Dr. Marc Hammack-

Clovis West High School is anchored in traditions and historic successes, which are known as "The Golden Tradition". Continuing The Golden Tradition, that has made CWHS the flagship of Clovis Unified, is not possible without the strong support of our parents, students, staff and greater community, including our alumni. Through the support of the Clovis West Foundation our academic, athletic and co-curricular programs would not be possible without their continued support. Through fundraising efforts, the Clovis West Foundation has been able to support programs, offer scholarships to students in need, send teams to competitions and support our Clovis West staff in their endeavors in reaching new heights in the classroom. I would like to genuinely thank each and every Board member for the work that has been done to ensure "The Golden Tradition" is alive and well at Clovis West High.
