- 2) List 3 positive characteristics you think your current coach / instructor / teacher would say that you have.

- 3) What is one area your current coach / instructor / teacher would say that you need to work on and why?

- 4) Pep and Cheer is more than cheering at games. You are not only representing yourself, but you are also representing Clovis West. List one quality you think a member of the Clovis West Pep and Cheer program should demonstrate and explain why you think this is an important quality.

Note to Parents

We are excited to have your child participate in the selection process for the 2018-2019 squads. In order for the tryout process to be as fair as possible, it is important for students and parents of the students attending this year's clinic to understand that students must be within the Clovis West Attendance area. Please check one of the following, my student...

- 1) () currently attends Kastner.
- 2) () has completed and has an approved intra district transfer request filed through the CUSD office of Child Welfare and Attendance to attend Clovis West during the 2018-2019 school year.
- 3) () has completed an intra-district transfer request that has not yet been approved through the CUSD office of Child Welfare and Attendance to attend Clovis West during the 2018-2019 school year.
- 4) () currently resides in the Clovis West Attendance area, but currently attends another school.

Students who do not have a signed parent form, or who are not able to check either 1, 2, 3, or 4 above will not be considered for this year's squad selection process.
