Meetings/Events Today

- Join our leadership students at the amphitheater today during lunch for a Snowman drawing contest.
- Hey Eagles! Time to get out your change to help make a big change for a school in Bez Zah, Vietnam that desperately needs clean drinking water. For one minute, RIGHT NOW we need you to find any spare change and give it to your teacher or scan the QR code on the flyer to donate electronically. Your teacher had it in their mailbox and is on the announcement email. Please help in any way you can to support these kids.

The timer is going now! [Set a one-minute timer]. Be part of the miracle! Here are some facts while the timer goes:

Globally, **many children have access to an improved water source at home**, through their family boiling water or purchasing filtered water.

But many schools in low-income regions can't afford to boil or purchase water for hundreds of students daily. **This leads to schools, where children spend most of their time, being a high-risk location for contracting serious water-related illnesses.**

Gravity Water's water filtration technology helps schools in need provide their students with safe drinking water.

Golden Eagles, we are trying to raise \$2,500 to achieve the goal! If your second-period class raises the most, you get a donut party and acknowledgment that you helped a community in need!

Time is almost up! Thank you for all your generosity. Interact students will be there during Golden Hour to collect the money! Have a great day!

- Any student interested in attending the 51st Chicanx Youth Conference at Fresno State on Saturday, January 27th, please stop

by the SRC office for more information. Workshops include Cultural Awareness, Social Justice, and Financial Aid. The conference is FREE to anyone who signs up. Lunch and transportation will be provided for FREE.

- Students – don't forget you MUST have all your lunch, after-school and Saturday school detentions cleared for you to attend the Formal this weekend. Please stop by SRC if you have any questions.
- There is going to be a mehndi workshop tomorrow in S4 after school, grab a friend and come join us to learn the art of henna.
