**Student Announcements**

- Today's Gratitude Challenge is to discover something new! It could be a new friend, a new place to relax, a new drink or snack. Find something new and show gratitude for the experience.
- Now that you know what red flags are, we wanted to share a resource with you to help your friends. "LoveisRespect" is a national resource to help prevent unhealthy relationships and dating violence by empowering young people through support, advocacy, and resources. You can text LOVEIS to 22522 or visit them at [loveisrespect.org](https://loveisrespect.org) for more information. Peer Counseling will have a booth at lunch today in the amphitheater. Be sure to stop by for a chance to learn more and win cool prizes.
- The Clovis West canned food drive has officially kicked off. Please Bring your non-perishable items to your second-period class and help us reach our goal of 1500 cans to be donated to the Povorello House. The class with the most canned food donated will win a pizza party. Second place will win donuts and third place will win candy.
