Meetings/Events Today

- Attention Students: The library will be closed today at lunch due to excessive eating and trash being left everywhere.

-

Student Announcements

- Today's Gratitude Challenge is to find something to do outside that you enjoy. Enjoy your three-day weekend by getting outside and being active.
- It's the end of our kNOWMORE Red and Green Flag Campaign. Throughout the week we've recognized red flags and what to do when you or a friend runs into them in a relationship, but red flags don't stop because the week is over. If you're interested in learning more about healthy relationships and being an advocate against teen dating violence, talk to a CW Peer Counselor
- The Clovis West canned food drive has officially kicked off. Please Bring your non-perishable items to your second-period class and help us reach our goal of 1500 cans to be donated to the Poverello House. The class with the most canned food donated will win a pizza party. Second place will win donuts and third place will win candy.
- The Production of Elf begins tonight, and you don't want to miss this one. The show starts tonight at 7:30 PM and runs through the weekend with a matinee on Saturday. Come out for lots of laughs, and show your support for our Clovis West Drama Students.

Senior Announcements

- Graduate Services will be here Monday, Nov 13th to hand out Cap and Gown packets. All seniors will attend a brief informational meeting in the Lecture Hall during your Econ/Gov Class.
