- Your Mind Right Monday Tip of the week: Take a break from your phone! Set a phone or electronics curfew at night to help limit your screen time. Bright screens can impact your brain and your sleep

patterns. Try taking 30-60 minutes away from your screen before bed to see how that improves your mental health and sleep.

- Attention Students just a reminder there is no eating in the hallways in the buildings. Hallways will be closed to students before school, during break, at lunchtime, and after school due to excessive trash and spills.
