Senior Update!

Seniors are approaching an exciting time in their lives! College acceptances are beginning to trickle in! We'd like to remind our seniors to keep documentation of all university program acceptances in order to be recognize during our annual Senior Scholarship Night on May 29, 2019 at 6pm in the Cafeteria.

Do senior grades matter? YES! Seniors should be mindful of their spring grades. University scholarships are contingent upon receiving final grades in June, therefore it is extremely important that seniors understand that they must keep up their GPA. Requests for official transcripts to be mailed directly to universities must be submitted to Clovis West Registrar, Mrs. Maureen Clark.

Reminder for Clovis West Area Elementary Alumni Scholarships! Did your student attend elementary school at one of our feeder schools? If the answer is yes, then please lookout for elementary scholarship applications that will soon be given to your student! As we begin to receive these application updates from the elementary schools, we will begin advertising and distributing to seniors who qualify to apply. Applications should be distributed by the end of March!

Eagles Soaring

Our Golden Eagles are beginning to *soar* onto their next chapter! The CW Counselors have teamed up with our activities department to promote our "college going culture," here at the nest! As our seniors begin to solidify their post-high school plans, they will be given an eagle head to write where they are attending in the Fall and post on our "Eagles Soaring," wall outside of the Counseling Center. Please encourage your student to come to the Counseling Center to complete their eagle head!
